## A Pound Of Smiles

Smiles are frequently seen at Gavit, but along with the smiles are a few tears. Everyone knows there can be many happy times at games, dances, with friends, and even with teachers. But every day can't be a good one and when things are going wrong tears sometimes follow.

UPPER LEFT: Sophomores Laurie Myslive and Judy Spak beam radiantly while greeting baseball fans at the gate. LOWER LEFT: Junior cheerleader Cindy Galovic ecstatically hugs senior Sharon Guents after the announcement of the junior winning the Spirit Award at the homecoming game. LOWER RIGHT: Seniors Dave Yamada, Mark Mybeck, and Steve Owen, give Miss Fitzgerald a proper "bon voyage" before her trip to Honolulu.

# Sprinkled With Tears

Finally the tension hits its highest peak. The moment of the final decision would come as pleasant relief. Finally the tension is relieved with the announcement of senior Patty Beck as the Football Homecoming Queen of the 1976-1977 school year. The girls are presented at right; TOP TO BOTTOM: Seniors Karen Anderson, Chris Dolak, Jeni Krosack, junior Sandy Tuskan, and senior Queen Patty Beck.

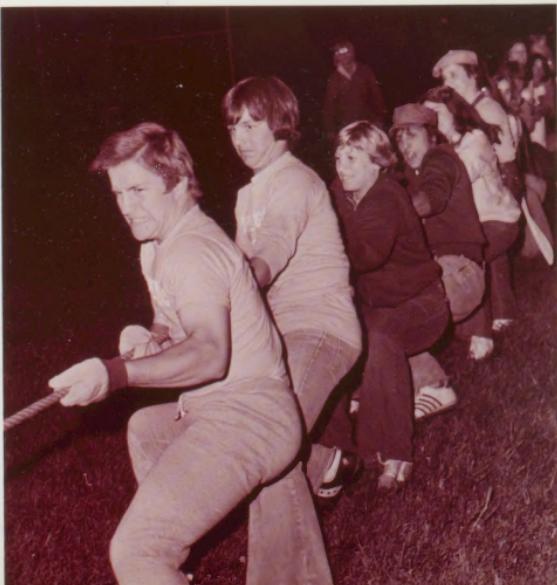

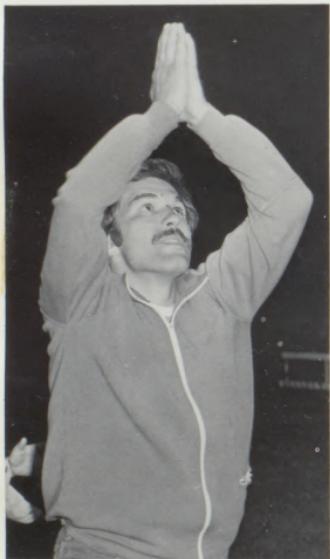

The tension on the faces of the Homecoming Court is terrific as the girls and their escorts patiently await their decision.

The court consisted of junior Sandy Tuskan and escort Jeff Richardson; senior Jeni Krosack and Jim Malloy; senior Patty Beck and Bob Biancardi; senior Karen Anderson and Kevin Werth; senior Chris Dolak and Steve Owen.

## A Cup Of Hard Work . . .

There are many students who work hard in many different areas of the school. Very few people get recognition for the time and effort that they put in. Band and Drill Team members have to practice many hours before performing. All of the athletes practice every day just to play one game or meet a week. Actors practice for six weeks before a play is performed. And even the staff members on yearbook work every day from Sept. to March.

TOP CENTER-Seniors Donna Pazdur and Pam Linneheimer prepare to blow up the school. TOP RIGHT-Rugged Soph, Michelle Lavin, trudges upfield for a first down. ABOVE-Mr. Life performs his zany skills at last spring's Almost Anything Goes. RIGHT-CENTER-Sr. Patty Hammond perfects her shorthand skills. RIGHT-Last year's Super Sonic Sophs bear down and tug for a victory.

## Topped Off With Success.

ABOVE-Srs. Susan and Sharon Geurts present Sr. Rex Thompson with his Mr. Football awards. LEFT CENTER-Gavit's Drill Team shakes up another good performance. LEFT-Band members Bob Phillips, Janet Luptak, and Greg Rucinski get the Mayor's approval to sponsor the Navy Band concert. BELOW LEFT-Jrs. Barb Dust, Bill Fatheree, Kathy Bonnell, Cindy Cantwell, and Phil Gorney, preform their class spirit skit.

# A Dash Of Spirit

Spirit is incorporated in Gavit classrooms, sports, organizations, and all over. We show our pride and spirit in many ways: Decorating lockers, hanging posters, T-ping, and the never ending battle "Which class has the most spirit?" Enthusiasm is shown by classes and groups by spending free time building floats. Each year the Little Calumet Bridge turns into a "purple and gold" work of art. Besides all the spirit that is channeled to sports activities, spirit is found also in classrooms, clubs, and groups by bake sales, plays, and extracurricular activities. Gavit students have learned to understand a dash of spirit, mixed with victory, sometimes tempered with sad defeat.

ABOVE: Tim Cunningham evades Hammond High defenders. BELOW: Maureen Slocum and Dave Ross enjoy the first dance of the 1977 school year. CENTER: Seniors say "smoke 'Em" and win. RIGHT: Donald E. ABCVE: Our new principal, Dr. Gary E. Jones.

# Mix This All Together

The one thing that everyone has in common is spirit. Yes, it is within each and everyone of us. It doesn't take much for that spirit to come out. Go ahead!!! Give it a try!!!! It'll be a piece of cake!! Hard work, tears, and success are a part of everyone's life. Our days here at Gavit play an important role in our school lives. Try to make the best of these years. They ARE the most important and profitable years of our lives.

# Prom Reflects A Memorable Evening

Prom-goers found a romantic setting at the 1976 prom, "Reflections of My Life". The prom was held at the new Wicker Park Social Center, Highland, IN., on May 15, 1976. Prom-co-chairmen Susan Clark and Cindy Farkas found that planning a prom is not an easy job.

Nite-Magic set the theme for romance with their mellow music. Their music got the couples in the mood of the evening.

A prom cake was a new idea thought up this year, to make the night a little more memorable.

Then the "Blast" began... "Blast" set the beat for the rest of the evening with their own brand of rock and roll music.

Peggy Benirschke was crowned queen, at her side was Steve Faught. Her court consisted of Liz Resetar (escorted by Mark Cooley), Patty Rapchak (Ray Love), Lori Frye (Tim Budreau) and Dorothy Ince (Carl Bergstrom). Blast then provided a very special moment with the playing of the garter song "Best of My Love" was the song chosen to further enhance this moment. Blast implemented happy memories in the hearts and minds of the evening with the theme song "Reflections of My Life" which truly reflected one of the most memorable nights in the lives of the couples.

# Awards Bestowed To Seniors

Honors Day Assembly took place May 24, 1976. The gym was full of nervous students that waited and hoped their name would be called, as the audience waited. All the years of hard work and studying finally payed off as students won special honors. After the endless pages of reading and burning the midnight oil, Wendy Carle and Dave Shryock shared the top honor of co-valedictorian, and Outstanding Senior Boy and Girl. The ceremony began with the Pledge of Allegiance, invocation, then awards were presented to Drill Team, G.A.A., publication, Student Council, Drama, Band, Choir, Business, English, French, Home-Economics, Science, and Math Scholarships and the presentation of the class gift ended the ceremony.

Then Lorene Frye Senior Class Treasurer, led the Invocation and Student Council President, Kevin in Augustyn, proudly led the American Creed. Co-Valedictorians, Wendy Carle and David Shryock, each gave their Graduation Address. Then the long awaited moment arrived, they received their diplomas, awarded by Dr. David Cooley. Now all of the graduates are speculating their future and hoping for the best. They all hold the same dream for happiness and success in their life ahead.

# "Almost Anything Goes"

Gavit's first student council sponsored "Almost Anything Goes" turned out to be a huge success. Lunch time at the mills was one of the most popular games of the evening. It featured blind-folded tricyclers who sped down the track following the directions of their teammates. The sophomores won this event. The string and spoon event, which involved weaving a string and spoon through ten team members clothing was won by the sophomores. The sophs won the most events putting them in first place, the frosh came in second, Seniors came in third, the middle school in fourth, and the faculty came in fifth.

While the students received a lot of laughs the day was enjoyed by everyone.

# 50's Day A Senior Tradition

November 24th marked the third annual "Seniors Fifties Day". It was all started in 1975 when the senior class decided to show their spirit during Homecoming Week by dressing up in costumes from the fifties. Now it is a symbol of spirit for many senior classes to come.

The seniors this year really enjoyed dressing up, even though they had a tough time getting the grease off their hair and the deep red lipstick off, they still enjoyed running around in their fancy outfits and showing them off to photographers and all the other students. The teachers loved seeing the seniors because it gave them many fond memories of yesterday.

# Varied Activities Highlight School Life

1

Throughout the school year, Donald E. Gavit students have opportunities to participate in many varied activities.

The student body has many drives to help worthy causes.

Gavit students who have never experienced actual flight in a plane had their chance to get an idea of what it was like when the U.S. Air Force visited Gavit and brought the "Thrill of Flight" trailer.

In May, Gavit sewing students display their many talents by presenting a fashion show to parents and students of G.H.S.

# Murder In Rehearsal “Kills” Audience

Murder in Rehearsal is a story about a play. Jack Ellery is directing the last rehearsal of a mystery play which is presented by a dramatic group. Jack takes a drink which was brought in for Claudia, his fiancee. During rehearsal a shot is fired by Morton Hall who is supposedly in love with Claudia. The shot kills Jack and creates the mystery element in the play—that is, the play that is in the rehearsal. Then the sheriff walks in, and when he finds out a murder was committed he locks the theatre with all the people inside and starts to solve the mystery within the mystery.

# Dances Popular At GHS

The Webster Dictionary defines dancing as a series of "co-ordinated movements done intime to music". But to Gavit students it means "The Hustle", The Bustop" and "good ole touch-dancing" These were just a few of the dances that were big in 1976-1977.

The dances served as a good fund raiser for various clubs and organizations, as well as a get-together for friends.

We were very lucky to hire some really good talent to perform at the dances: STONE-WOOD FOX, M&R RUSH, JUSTICE and UTOPIA were just a few of the groups that entertained Gavit students.

Whereas, once a guy would go up to a girl, bow, and formally ask "May I have this dance". A girl can now go up to a guy and ask "Do you want to do the Hustle." Times are a changin'

## Cast of Characters

Barbie Cave	Juliet
April Carter	Cleopatra
Kathy Bonnell	Ophelia
Clindy Cantwell	Portia
Barb Dust	Desdamona
Lori Hufnagel	Katharine

Thespians performed the comedy production of "When Shakespeare's Ladies Meet" on Jan. 19, 1977, written by: Charles George.

The plot of the play centered on Juliet, who was soon to marry her beloved Romeo. The most famous of Shakespeare's Ladies, Portia, Desdamona, Ophelia, Cleopatra, and Katharine, decided to journey hence to give Juliet advice on the art of love. Juliet in turn gave her wise advice which proved age is counted only by calendar years, but should be counted upon wisdom. The cast put extremely hard work and a large amount of pride into a successful performance.

Thespians are sad to have the play director, Miss Blaine, leave Gavit, but the wonderful memories she has made possible will always remain here at Gavit High.

TOP RIGHT: Portia, Ophelia and Desdamona comment on the absurdity of young Romeo and Juliet's romance. TOP LEFT: Portia tries to comfort the frightened Ophelia after being screamed at by loud and strong Katherine (the shrew). BOTTOM CENTER: The experienced Desdamona laughs to herself as she listens to the young love coos made by the elated Juliet. BOTTOM LEFT: The intriguing and captivating Cleopatra also relates the tales of her many past romances.

# A Musical Christmas Card

The Christmas Program for this year was entitled A MUSICAL CHRISTMAS CARD. The singers were Gavit's own Choral groups. These groups were the chorus, chorale, choraleers, and the concert choir, all of whom were conducted by Mr. Thomas Clark. Music was provided by Gavit's bands which are directed by Mr. Stanley Zaley. The design and construction of scenery was created by Mr. Reginald Gilbertson and his art students.

The program was divided into five sections: IT'S THE MOST WONDERFUL TIME OF THE YEAR, THE BELLS OF CHRISTMAS, THE NIGHT BEFORE CHRISTMAS and THE MEANING OF CHRISTMAS. Students put in a lot of time and work to make the program interesting.

During the concert, the Choir's Christmas Album was available to the public.

## Freshmen

The class of 1980 started their first year of high school by selling grapefruit and oranges to earn money for their prom, homecoming floats, and other activities. This was an original fund raising project which proved to be quite profitable.

The freshmen entered their first float in the football homecoming parade with the theme "Smoke 'Em". Although they did not win in the float competition, they have high hopes for the next three years.

Leading the class of 1980 during their first year of high school were class officers: Lynn Clark, secretary; Bob Banchich, president; Tracy Hector, treasurer; and Heidi Waywood, vice-president. Mr. Robert Johns and Mrs. Barbara Hayes are the sponsors for this class.

## Sophomores

The sophomore class crawled out of their shell during their second year of high school. During football homecoming week, the spirit of their class was really aroused. Although the sophomores did not capture the spirit award as they had hoped, they took second place in the float competition.

Purchasing their class rings this year, the Class of 1979 was the highest in class ring sales ever at Gavit. Also, they have already begun planning their prom which will be held in the spring of 1978.

Leading the way for the class of 1979 were class officers: Patti Clark, treasurer; Milan Jurich, president; Michelle Levin, vice-president; and Karleen Craaybeek, secretary. Their enthusiastic sponsors are Mrs. Rebecca Board and Mr. Kenneth Petyo.

## Juniors

The class of 1978 has accomplished many things in the past three years in high school. They have achieved the outstanding spirit trophy three times in a row since their freshman year and are hoping to receive it for the fourth consecutive year. This past year, to add a bit more spirit during the homecoming parade, the Juniors' float fell apart as it crossed the railroad tracks. This did not dampen their spirits, however, as was shown that night when once again the Class of '78 captured the spirit trophy.

The Class of 1978 has been busy this past year planning for their prom. The prom, which was held May 7, 1977, had the theme "Nights Are Forever."

The class officers for this spirited class were Adam Lamb, president; Henry Perez, vice-president; Sandy Tuskan, secretary; and Julie Pazdur, treasurer. Their class sponsors are Mrs. Leslie Keller and Mr. Robert Welte.

## Seniors

Years have passed with triumphs and tribulations all through the universe, but as the four years have passed something special came for the shy, timid freshmen. They became young men and women who gained much knowledge and superiority and are now graduating with honor and glory. They have accomplished much since their beginning at Gavit. Although they began their freshmen year without experience, they became vigorous and reached many goals scholastically as well as socially. During their sophomore year things looked up into the future. They ordered their class rings from the well known Josten's Ring Co., and began planning for their Jr. prom. Their Junior year proved to be very rewarding. During homecoming they won their first float with the theme, "The Great White Shark, Devours Clark". But their most anticipated accomplishment was their Jr., Sr. prom "Reflections of My Mind", held at Wicker Park Pavilion. This proved to be a highly successful prom for it was complimented repeatedly by the faculty and even the staff at the Wicker Park Social Center. They began their last year at Gavit, again by winning another float with the theme "Send B. N. I. Up In A Puff of Smoke". This float was also entered in the Hammond Christmas Parade and took a first prize of \$500.00 which was contributed to the senior class funds. This year the senior class sponsored a new ac-

tivity. To raise money, they presented films including "Tommy". During Halloween they showed the original version of "Wolfman Meets Frankenstein" and "Dracula".

The class sponsors, Miss Margaret Fitzgerald and Mr. Cary Eckard, were the energetic adults who greatly aided the senior class throughout their four years.

Class sponsors: Mr. Cary Eckard, Miss Margaret Fitzgerald. Officers: Claudia Lee, Carol Herkey, Tony Bennett, and Eva Lee.

All my memories lie here at Gavit. The tears and the laughter that I've shared with my friends are moments that I'll never forget. The friends that I've met and the fun times that I've experienced with them will always remain in my memories of Gavit. I know I'm going to miss Gavit and all the teachers that I've had.

Gayle Smith

Boredom is a companion of the uneducated. A developed mind will always find entertainment and recreation. Something different awaits us everywhere we turn and we should use every resource possible to get the fullest out of life. We should not spend our time sitting idly, nor should we waste our lives working for the almighty greenstamp.

School has been a major pain in my life but now I realize how much I'll miss it. I've tasted victory in some cases and bitter disappointments in others. I've experienced many rewarding friendships and I have learned from watching and meeting different people. I'll be eternally grateful to those who have touched my life.

Penny Pittman

The memories of my four years in Gavit will be lost once I leave. I am going to miss printing and the techniques of relaying messages. I know that now I can't wait till I leave, but I know as time passes I will wish that I was back.

Carl Meyers

Throughout my four years in high school, I have learned many new things. I'll never be able to forget all the fun I've had here. The things I'll miss most are the friends I've begun to know and being involved in G.A.A. These will always be treasured memories.

Susie Boyer

As I look upon my upcoming graduation I ponder the situation at hand, that after I leave Gavit High School, I must face the new horizons that lay ahead of me. I realize that my high school days have been very worthwhile as well as gratifying.

# Jobs provide experience

Local restaurants, gas stations, offices, and stores provided employment for many Gavit seniors. Gaining valuable experience and earning extra money, many students added part time jobs to their already busy schedules. After school hours and weekends were sacrificed, and often sleeping time and time spent on homework was cut short because of students' jobs.

Working students have an opportunity to gain independence, to learn to manage money wisely, and to learn to handle responsibility.

Working at a part time job is not only a means of earning money, it is also an excellent way of gaining essential experience and knowledge.

Mary Kay Clifton places groceries in customer's bag at Burger's Supermarket.

Carol Bodnar prepares ice cream cone at Baskin-Robbins in Hammond.

Preparing an order of french fries at Burger King in Munster is Kathy Miklusak.

Sherry Treadaway receives cash in exchange for groceries at Woodmar Delicatessen in Hammond.

Dennis Sullivan takes time out from his busy job at Mac's for a courteous smile.

Assisting children on the trampoline at the Woodmar area Y. M. C. A. is the job of Bill Hoffmann.

Dave Ross watches reading on gas pump as he fills a customer's tank at a Clark service station in Hammond.

Working diligently at the drive-up window at the Calumet National Bank in Hessville is Bea Jackson.

Doreen Shike thoroughly washes hands before beginning work at Burger King in Munster.

# More Emphasis On Metrics

The math department has a new math office; it is in the back of room 319. Its main objective is to supply room for students who need help. The math teachers are willing to help anyone with homework problems or questions concerning a future in mathematics.

There was another new addition to the math department. It was a new teacher, Miss Roseanne Schloss. She is replacing Mr. Alabert Tilendis, who retired at the end of the last school year. Mr. Randy Kuchenberg also left. He is now teaching at another school.

This past year Gavit has gone without the interesting class of calculus. Calculus, in general, dealt with instantaneous rates of change.

With every year that passes, more and more emphasis has been put on the metric system.

Since the United States is eventually converting to the metric system, students will get a head start in learning to adapt the measurements. It won't be as easy for seniors or past graduates to catch on to the system without practice. Therefore, they must learn the principles from another source.

In the near future, Gavit's math department hopes to add computer programming for those interested in a mathematical career. Now there is a great emphasis on calculators. There is some controversy on whether it has made thinking obsolete, or it in itself should perhaps become obsolete and leave the calculating to the mind. There is no end to the modernization and ever-growing field of mathematics.

It seems there are two things we can never get away from wherever we go: letters and numbers. Just as we must continually study our language in English, we must always review our numbers in math class. Most people don't realize how vital numbers are. There is your phone number, your grocery bill, your house and street numbers, your taxes and countless other examples of when we come in contact with numbers. The math courses at Gavit are set up to give students an idea of the different times they'll need the mathematical background they are acquiring now in school.

# Social Studies Evoke Thought

Social Studies has the most varied program at Gavit. It ranges from study of history, world and American, to the study of our society, mentally and physically. Besides the usual social studies class, psychology is also offered. Seniors have a semester of economics and government to help them better understand why certain laws are the way they are, and why certain items are priced the way they are.

Most of the social classes try to give students a look at how other nations live in comparison to their own. Some students even find themselves with a little culture at the end of the semester.

For those students really interested in history, there are two one-semester courses open for a broader but generalized study of Far Eastern History and History of the south. There shouldn't be any trouble in getting enough credits for a major in history.

Because of the increase in world affair problems, more emphasis was put upon the relations of the United States with other countries. In economics they compared economies, in government they compared their legislative systems and in social classes they compared cultures.

# Students Study Society

The social studies department, headed by Miss Diane Clinton, is located on the third floor at the end of the east hall. The doors are always open for anyone with a problem concerning a social studies class.

Two one-semester courses which differ from the usual social studies courses are sociology and psychology. Instead of reading about given facts, they allow students to form their own opinions about our society and different concepts of psychology. Students have special assignments, such as questionnaires and research papers. They are two of the most interesting classes because of the variety of learning methods, and the fact that you learn so much just from listening to the views stated around you during class.

# New Staff Aids Business Dept.

Out of all the departments at Gavit, the business department has gone through the biggest change. There were three new teachers added to the staff, Miss Sally Reidy, who replaced Mrs. Johnson, Mr. Robert Bradtke, who replaced Miss Lozano, and Mr. James Boyle who replaced Mrs. O'Toole upon her retirement.

There are three career courses available in the business program, they are; stenographic, bookkeeping, and clerical. Any one completing the stenographic course should be well qualified to tackle any secretarial or stenographic position. Those who are interested in a clerk-typist position or a general clerical job gained experience from operating business machines and studying business math. Under the bookkeeping program, students widened their vocabulary of business terms and principles in business English class. There are also accounting, business law, and typing and shorthand classes available to all business students.

For those students who are seniors and want a head start on office jobs can join the C.O.E. program, otherwise known as Cooperative Occupational Education. Students gained firsthand experience in an office environment. Now there is a Jr. C.O.E. program, new to Gavit last year, allowing sophomores and juniors to get a head start in preparing for job interviews and possible careers.

# Shops Provide Vocational Learning

Industrial Arts deals with teaching the fundamentals of industry. Now industrial arts is co-ed so girls, as well as boys, will be working and experiencing shop processes. The courses that are open are: ceramics, electricity, power mechanics, graphic arts, drafting, metals and woodworking.

In ceramics, students learn to use synthetic materials to make many different types of objects.

Electricity and power mechanics helps one to learn about electricity and its many uses.

Graphic arts is printing, layout design, and photography. And in the 4th semester you get the opportunity to work on the Gladiator Press. This year the Graphic Arts Club donated money to buy new photography equipment.

In drafting a student first becomes familiar with basic drawing structure then one would go on to make blueprints and draw 3 dimensional objects. And in one's final semester one gets the chance to plan and draw your very own house.

In woodworking a student learns to read blueprints and make use of a great many tools that will help them make cabinets, chests, and many other useful items.

In metals one also learns to read blueprints and use tools such as a shaper, lathe, milling machine, and a welder. These machines help to shape many different kinds of objects that might be drawn in drafting.

All industrial arts classes give students practical knowledge as well as professional knowledge which may lead to a great career in some related field.

# English Students Ponder Literature And Grammar

In this department, there are three main English courses available for students to choose from. They include practical, regular, and college preparatory classes. Each student chooses the class he or she thinks they would excel most in. The class sizes range from twenty to thirty pupils, so they can receive more personal attention.

Also, there are electives, extracurricular activities, and facilities that are available to any student interested in them. Some of the electives offered are speech, mass media, drama, and working on the "Futura" or "Scroll", where the student can show his individual talent and creativity. Two outside activities to the ambitious student are speech and debate.

Developmental reading is another course available to any student who is interested in improving their reading ability - speech classes helped prepare students on how to make public speeches.

2. Mr. Edward Troy, Ball State University, B.S., and M.A.
3. Mrs. Jeanne W. Moll, Indiana University, A.B., and Purdue University, M.S.

5. Miss Dalia Malciauskas, Northern Illinois University, B.S., and M.S.
6. Miss Susan M. Koscielniak, St. Joseph's College, language arts, mass media.

Speech class helps to overcome fear, nervousness, and the tension of making speeches. The types of speeches covered are formal, persuasive, informative, and impromptu, many of which will be very useful to know in the future. The regular English program provided a sound, workable background in vocabulary, grammar, and literature for students not planning to continue their formal education after high school. The practical English program was developed for those students who have not yet completely mastered language art skills by finding and correcting reading problems and encouraging the student's existing knowledge, so one could expand their ability.

The "FUTURA" and "SCROLL" are two electives courses. Mr. Donald Kopenec is the Advisor of the two classes. The "SCROLL" is intended to inform the faculty and student-body of the happenings around school.

# Art And Media Provide Resources

Students can add a bit of creativity to their schedules by taking one of the art classes offered to all high school students.

Art I and Art II explore the fundamentals of art. Art Projects is a more advanced class which enables students to explore areas of special interest.

The high school art classes are taught by Mr. R.A. Gilbertson, and middle school art is taught by Mrs. Beulah Seckinger.

1. Ms. Beulah A. Seckinger, University of Chicago and Art Institute of Chicago, BAE, & MAE.

2. Mr. R.A. Gilbertson, University of Minnesota B.S., and M.S., High School Art.

3. Mrs. Gloria Boyden, Purdue University Lafayette, B.S. and Purdue University Calumet, M.S.

4. Mr. Warren Culbertson, Chicago State College, M.S. and Western Illinois University, B.A.

5. Mrs. Marcella Clutter - Para-professional.

A student preview room and a student conference room are two new features planned for the media center. Upon completion, the student preview room will contain equipment which will enable students to view different types of films which they may have missed when shown in class or which they may need to view for reference. The student conference room is a place where a group of students who are working on a project can go to discuss it. Much of the planning for these two features was done by media specialist, Mr. Warren Culbertson.

New to the media center this year are media specialist, Mrs. Gloria Boyden and para-professional, Mrs. Marcella Clutter.

# Science Teaches Life

This year the Science Department, under the direction of Mr. Michael Kobe, has gained two new science teachers, Mr. Ronald Dimon, and Mr. John Bollaert. They both teach middle school science, generally called physical science, which consists of one semester of chemistry and one semester of physics. They are simplified and generalized courses. Besides teaching science, Mr. Dimon is the seventh grade basketball coach along with being the girls varsity swim coach. Mr. Bollaert in turn, coaches the freshman football team. They have proved to be valuable assets at Gavit this year. They replaced Mr. Warren Krughoff, who retired after almost forty years of teaching, and Mrs. Cheryl Hanning who left to start a family. There weren't any new programs started, nor were there any new facilities added to the department this year.

There are two science courses required during your four years at Gavit. They are Health and Safety, which is a one semester course, and Biology, a laboratory science. They each try to help you better understand more about yourself and the wide variety of living matter around you.

If science is a subject you enjoy, there are three science electives available: chemistry, physics, and Advanced Biology, which covers a semester of anatomy and a semester of Cytology. These courses are usually aimed at the college-bound student who may need extra science credits for his major.

1. Exploring the field of science in the chemistry lab seems to interest seniors Donna Pazdur, Pam Linnemeier, and Susan Clark.

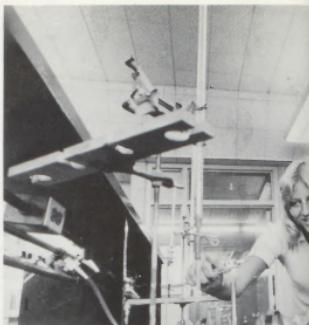

2. Mrs. Carla D. Acarbulut, Indiana University, Bloomington, B.A. and University of Hamburg, M.S.

3. Mrs. Laurel V. Krol, Franklin College, B.A., and Purdue University, M.S. Biology.

4. Mr. Earl Thompson, University of Illinois, M.S.

The advanced courses go into an extensive study of the body and the cells. Many experiments and interesting laboratory work keep the students at Gavit very busy. Courses are set up so the student can do independent research and gain personal experience on his own.

It is hoped that new science courses will soon be opened to students, which may include some astronomy and the ever-growing field of space study, the last known frontier man has to conquer.

# P.E. Develops Minds And Muscles

Physical education rounds out the monotony of the day and helps you to develop a strong mind and body. It also provides an opportunity for students to enjoy friendly competition.

Many different areas of sports are covered in both the boys' and girls' gym classes. One year of P.E. is required for all high school students. It is usually taken during their freshman year.

Physical education is set up to help the body grow as well as the mind. Because of the various capabilities of each student, gym class is not graded in the same manner as scholastic courses such as English or math. Effort, ability to work as a team, and individual sportsmanship are major factors taken into consideration when report cards come out.

In the fall, gym students have most of their classes out-of-doors, such as flag football and field hockey. In the spring when the weather is agreeable, students have softball and kickball games. They learn the different events in track and field and learn exercises and jogging methods that will be beneficial throughout their lives.

1. Mrs. Sondra Estep, Indiana University, B.S., and Indiana University, Northwest, M.S., Letter Girls Club sponsor, and girls' tennis team coach.

# Music Spreads Joy

There are several chorale groups at Gavit High: chorus, glee club, choral, concert choir and the choraleers.

This year some new ingredients were added to the department. Most important is a new middle school teacher, Miss Pam Ogilve.

The concert choir gave an interesting contata, "The Creation", which used electronic music.

Mr. Thomas Clark is head of Gavit's music department.

This year there were three different bands: marching, concert and stage.

They arranged for the United States Navy Band to perform at an assembly and concert in October.

# Home Ec. Prepares For Future

The home economics classes were foods, clothing, family relations, consumer educations, child development and interpersonal relations. These classes teach more than just basic household knowledge. Their main objective is to help develop better human relation ships.

Family Relations and Child Development are aimed at making family life easier. Interpersonal relations stress getting in touch with others feelings as well as your own. Consumer Ed. teaches shopping awareness.

This year there were more students enrolled in Home Ec. classes than last year. Out of these students there were more boys than girls. After high school many boys realize the need for Home Ec.

People wanting to major in Home Ec. in high school are required to take consumer ed. and interpersonal relations along with the regular Home Ec. courses.

Miss Mary Jo McMorrow is head of this department.

# Special Ed. Promotes Learning

Gavit's Special Education program teaches handicapped children of all ages from all over Hammond.

They learn of many subjects, but math and english are stressed most heavily.

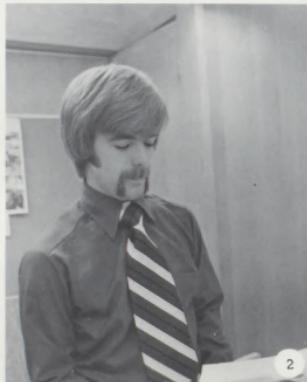

The instructors hope to encourage the students confidence and adaptability in public situations. They hope someday that there won't be a need for special education classes and the students can participate along with the other students in their grade level.

Individual attention is always practiced. The teachers help the student feel comfortable while in school and hope they might learn to overcome their uneasiness in meeting new people.

# Concert Choir makes album

The Choral department under the direction of Mr. Thomas Clark has many divisions. The Concert Choir consisted of seniors and juniors who released a Christmas album this year. This past summer some of the members toured Europe. The Choraleers is a new branch of the Choral department. The boys and girls Glee Club gave them the needed experience for the Concert Choir. All the choirs, during the Christmas season, went from school to school caroling along with the lovely presentation of the Christmas Concert. In the spring they held their annual concert. This year was no exception for their yearly choral tag sale.

# Clubs Mean Action

## Cinema Study Club

The Gladiator Press, under the guidance of Mr. Richard Clausen, has been in existence since 1968. The class is set up for any student that has completed three or more semesters of graphic arts. Tickets for games, the Scroll, poster for dances, and school stationary are just a few of the many things they print. The Gladiator Press is based on an industrial concept, in which each section has a foreman and workers under him. The Press has saved Gavit the expense of sending their printing to a company.

Throughout the year clubs have met every other Tuesday. Most of the clubs had some type of money raising project. Bake sales and car washes were just a couple of examples. With the money they make they were able to buy needed materials, take field trips or save it for a party at the end of the year.

The Gavit's 1976 Varsity Football Team's win-loss seasonal record was 3-7. The first win was against Griffith, 32-30. The second was against Hammond Tech, 22-6. The third win was our last game of the season, against River Forest, 36-0. Gavit's homecoming game was played against Bishop Noll, and it was the first homecoming game that was lost in Gavit's history. The score was 6-41. The varsity touchdown leader was junior Tim Cunningham. Mr. Football was senior Rex Thompson. Mr. "sexiest legs" was junior Rich Blastic. We are losing our two year varsity football manager, Gary Curtis. Coach John Quinn quoted, "There are no outstanding players on defense and offense, because they all are great."

Juniors Chris Klefeker and Rich Blastic proudly display smiles of accomplishment after being honored as All Conference players.

# Finish With 3-7 Season Record

With the guidance of Coach John Quinn, senior Dudley Latham reviews his defensive tactics.

Assistant Coach Paul Brush takes a few moments out of game time to discuss a new strategy with senior Rex Thompson.

Although injured early in the season, quarterback Rob Clark looks on at his teammates with great apprehension.

The ball carrier, junior Henry Perez carefully anticipates his next move.

Senior Evan Tite attempts to assist junior Jim Chenault in successfully tackling a Morton player.

# B-Team Takes A Beating

Gavit's B-Team Football players have worked very hard with coach and Athletic Director, Mr. Paul Brush. This year they had a good season. The eighteen football players emerged from the season with a record of 3 wins, 4 losses, and 3 ties. The first win was against Hammond Tech, 8-0, the second against Washington, 18-0, and the third was against Hammond High, 6-0. The team tied Gary Mann, 6-6, Clark, 8-8, and against Morton, 6-6. Although the B-Team games are not as publicized as varsity games, they give the players a chance to prepare for the more experienced varsity games. The most outstanding B-Team player was sophomore Larry Mista. He achieved this fame by his outstanding performance and terrific control of the football.

Sophomores Bob Driver, Steve Narantic, and Rodney Kelley pursue the Morton ball carrier with the spirit of team unity.

Coach Tom Kujawa goes over the day's game plan with his boys just before the big game.

Sophomore Bill Stephens displays good form which enabled him to have an excellent season.

Junior Henry Perez constructs a block to enable Junior Bill Sandoval to gain extra yards during the junior varsity game against their rival Morton High School.

Freshmen Keith Kulczyk purses the enemy.

Coach John Bollaert runs through offense practice with his boys.

Many young Gladiators worked hard and contributed to the Freshmen Football Team's win-loss record of 4-5. The outstanding defensive players were Bob Thompson, Keny Osorio, Steve Zubrenic, Rich O'Dea, and Kevin Ghormley. The outstanding offensive players were Bob Thompson, Keny Osorio, and Kevin Ghormley. The freshman touchdown leader was Bob Thompson. This year there was a lack of competitiveness, because there were only twenty members. Freshmen Coach John Bollaert stated, "I enjoyed having them, even though we had a very small team. I think they all have a good future ahead of them." Out of all the games they played, the freshmen team will never forget the Bishop Noll game. In this game they tried their hardest with tension flying to defeat Noll, 6-8.

# Soccer Team Yields 3-9 Season

Kicking, running, blocking, and sometimes tripping, is how the Gavit kickers got through their 1976 season. With an average record of three wins and nine losses, the Gladiator bootmen made going to a soccer match a very exciting and unforgettable experience.

Soccer is a fast-moving, contact sport which is not really very hard to follow. Everyone participates in everything, such as the stress, happiness, and even defeat of each individual game. The whole team takes credit for a loss. A loss isn't just the goalies fault, just as win isn't just a goalies success. Soccer is team sport, not a one man sport.

For the opponents, it was usually tough to beat the hardworking Gladiators. The Gavit bootmen, nine out of ten times, put out one hundred percent in each match they played. It happens, sometimes, that the opponents will also put out one hundred percent, thus causing the Glads to lose the match. In our case, the opponents did this a little too often. Even though our team didn't do too well, people were still there to support them and back them up.

Junior Jeff Peterson looks on as team member Jerry Johnson recovers the ball.

Jerry Johnson goes down while trying to get the ball from the opponent.

KNEELING: Rick Holeman, John Burdyl, Jeff Richardson, Larry Green, George Klisurich, Dudley Latham.

STANDING: Coach, J. Quinn, Tom Turnbaugh, Scott Plawecki, Anthony Palfi, Henry Perez, Robert Driver, Rex Thompson, Chuck Benirschke, Ted Gross.

The rough and tough Rex Thompson says, "Out of my way!!!!!!!!!! I was here first!" as the amazed opponent looks on not knowing whether to kick him, or just let it go this time. Luckily, for us, Rexy-baby remained unharmed.

Junior John Burdyl and opponent look at the ball amazingly, not knowing what to do with it. As a result of their behavior John fooled his opponent and took the ball away.

Super sophomore, Henry Perez turned on his speed, Baffling the opponent, Henry raced around him, leaving him with nothing to do but stand there and look on as the game continued.

The coordinated George Klisurich tries very hard to impress the opposing team with his version of the "Can Can" as teammate Rex Thompson looks on.

# Grappers Pin For Wins

The 1976-77 Gavit Grappers have had an average season due to the lack of interest. Wrestling, which is a very exciting sport, takes a lot of hard work. The grappers practice at least twice a day. The morning practice isn't mandatory. The boys that do come, work with the weights and run a little. The afternoon practice lasts about two and one half hours. This practice is mandatory. The grappers run every day and have about an hour of hard wrestling. Coach Life says the hard wrestling does a lot of good. Basic moves and putting 100% into wrestling are very important.

There are many outstanding varsity wrestlers. They are: sr. Glenn Beverly, jr. Scott Opasik, jr. Dave Dunlap, sr. Evan Tite, and sr. Chuck Benirschke. The B-team also has many promising wrestlers. Their names are: soph. Mike Hayden, fr. Brad Boring, soph. John Tite, and soph. Jason Lamb.

Varsity is coached by Mr. Ben Life and B-team is coached by Mr. John Bollaert.

Senior Evan Tite holds his man and awaits the decision of the referee.

Junior Rich Blastic attempts to take his opponent down.

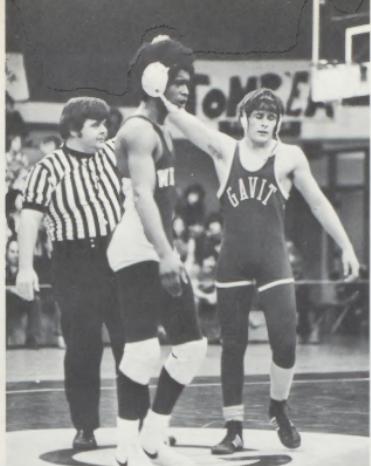

Senior Glenn Beverly contemplates his next move.

Freshman Bob Thompson is the winner in a decision.

After a long but victorious battle, senior Chuck Benirschke pinned his opponent.

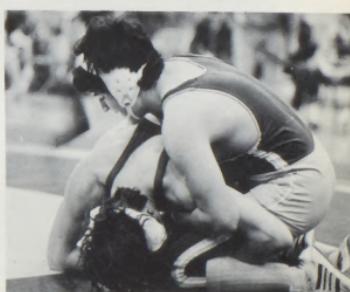

Sophomore Dave Dunlap had a very successful year with his excellent agility.

Junior Scott Opasik puts the pressure on as he moves his opponent toward a pin.

Henry Perez gets a grip on his man.

Coach Ben Life looks hopeful as he guides Adam Lamb to a pin.

Junior Adam Lamb is victorious over his East Chicago Washington with a pin.

# Gavit Swings Into Action

Tennis is fun and a learning experience, but the competition is tough. The Girl's had to compete with the terrible weather at practices and at meets.

Their seasonal record was 5-5. Susan Guerts was the team's M.V.P. Marianne Miterko and Susan Clark, both shared for the big No. 1 in singles. They both had a 5-5 record. In City, Gavit's doubles Susan Clark and Susan Guerts took first. Also in City, Gavit's doubles Marianne Miterko and Susan Clark lost their match to Morton, when Miterko dove into the cement and badly hurt her wrist. But, she still played her next set.

Junior Susan Clark hits the tennis ball with accuracy.

Sophomore Grant Hayne uses speed and precision behind his swings.

Senior Ed Wojtowicz expresses the feeling of victory.

Junior Mike Duffala shows the emotional feelings of tennis.

The boys tennis caption and most valuable player was Jeff Peterson. Mike Duffala was the most improved player. Grant Hayne was No. 1 in singles and got a scholarship award for his performance. Grant Hayne, Jeff Peterson, and Mike Duffala finished as the top 3 players in singles and helped the team win most of their matches by a 3-2 score. The seasonal record was 10-5.

Gavit's tennis team defeated E. Chicago Washington in the final conference match. Washington were undefeated at the time in the conference, 7-0, and had won 11 matches in a row.

# Lady Glads Take Regionals

The 1976 volleyball teams did exceptionally well this year.

The junior-varsity ended their season with 18 wins and 3 losses. The junior-varsity was lead by sophomores Randi Johnson, Theresa Puchley, and Paula Biancardi. We'll be very happy to see these girls and the rest of the team next year for another winning season.

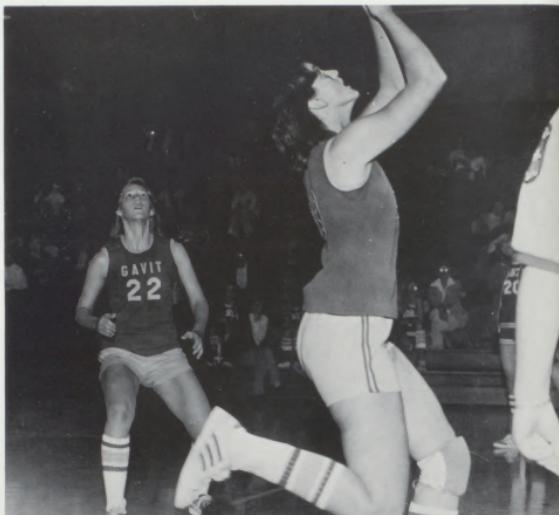

The varsity ended their season with a record of 26 wins and 5 losses. Setters Mary Johnson and Cathy Sibert; and spikers Patti Biancardi, Patti Paquette, Mary Ferris, and Sue Boyer did a fantastic job this year. These girls, along with the reserves, won the Sectional. This is the fifth time in five years that the Gavit volleyball team won sectionals.

This was the third time in five years that the Lady Glads went down state. Unfortunately, they were defeated.

The Lady Glads were coached by Miss Margaret Kelly.

Senior Patti Biancardi hesitates her next move as senior Mary Johnson gets ready for the fast-moving ball. Both Mary and Patti have been on the team since their freshman year.

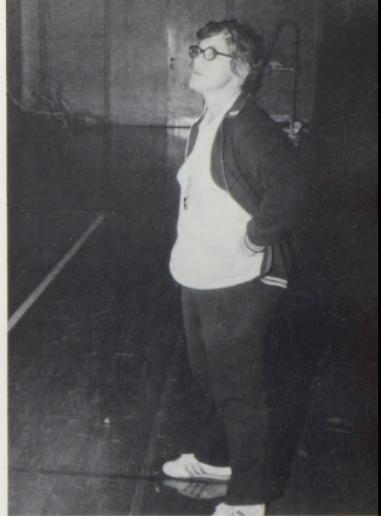

During the volleyball game against rival, Morton High School, senior Mary Ferris bumps the on-coming ball as fellow senior and teammate, Patti Paquette, looks on in astonishment.

KNEELING: Dody Irby, Lucy Myszak, Mary Johnson, Mariann Miterko.

TOP ROW: Patti Gratwick, Jan McCarty, Jean Myszak, Cathy Paquette, Maureen Rosko, Karen Zasada, Coach Margaret Kelly.

Ms. Margaret Kelly, the fantastic girls' coach, looks kind of disappointed as she watches the team during one of the practices.

## Junior-Varsity Displays Great Talent

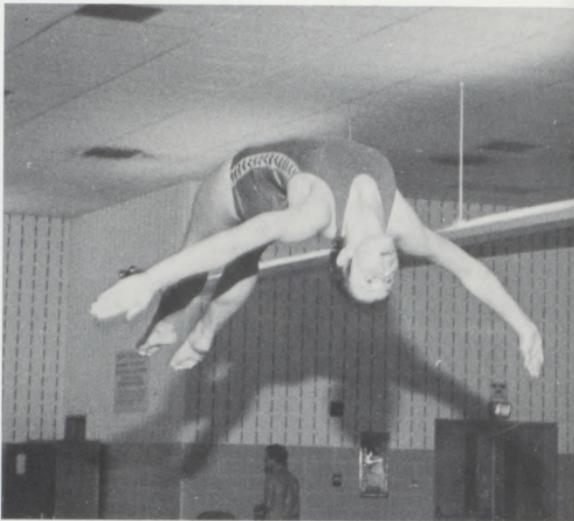

Although not a starter, Karen Zasada did her best each and every time she was playing. Here, Karen volleys the ball during a very important game against Morton. Karen is a freshman.

The outstanding Theresa Puchley gets herself ready to spike the ball as teammate, Randi Johnson, looks on. Both Theresa and Randi are sophomores. We're looking forward to see them play again next year.

# Swimmers Stroke To A Disappointing Season

Even though the Lady Gators had a hard fought, but disappointing season, it seems they will have a more promising team next year with the experienced upperclassmen and talented freshmen which raced this year. Newcomer, Mr. Ron Dimon, coached the lady swimmers while senior Robin Gray and sophomore Laura Csonka were co-captains. Dave Yamada has been their hard-working manager for two consecutive years. The Lady Gators' only victory of nine meets came from Michigan City Marquette. Some of the more outstanding swimmers of this year were senior Robin Gray, junior Bernice Herkey, sophomore Laura Csonka and junior Kathy Pawlus, who did surprisingly well for her first year on the team.

Swimmers receiving honors were senior Robin Gray as Most Valuable Swimmer, senior Susan Geurts as Outstanding Diver, freshmen Judy Brown as Most Improved Swimmer, and Dana Shike as swimmer with most Outstanding Attitude.

Freshman, Jackie Kawlowski practices a dive that she will do in competition. This dive which Jackie is doing takes a lot of concentration and isn't the easiest dive to do.

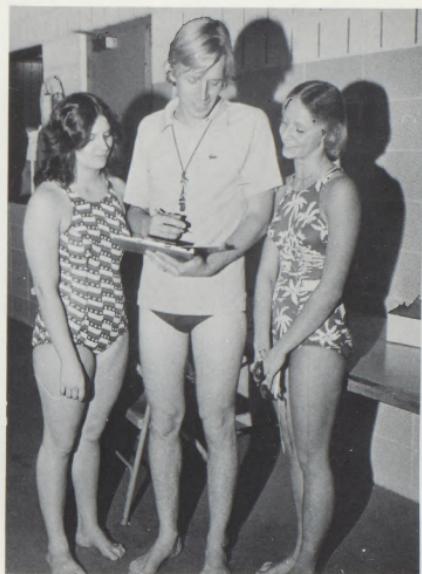

Coach Dimon, the new girls swimming coach, tiresomely looks on during one of the practices.

ROW 1: L. White, J. Kawlowski, M. Carroll, P. Fisher, J. Brown, S. Ince. ROW 2: Coach Dimon, K. Turner, B. Poracky, L. Hendershot, K. Zacny, C. White, D. Shike, D. Stula, C. Smaron. ROW 3: S. Although it is only a practice dive, senior Sharon Geurts really thinks about how she is going to do it. If Sharon can't do this dive during practice, she won't be able to do it during competition.

Before one of the exciting matches, coach Dimon looks things over with two of the very hard-working swimmers, senior Robin Gray and sophomore Laura Csonka.

One of the super Gavit Mermaids (of which there are many) has great form during her dive.

Senior Robin Gray has been a swimmer since her freshman year. During these years, Robin has specialized in one of the most difficult strokes, the butterfly.

# Golf Swings To Conference Championship

Pat Chapin, Bob Kolbert, Tim Budreau, Don Chiaro, Tom Hudson.

Gavits golf team did exceptionally well this year. They took a first in City, and a first in Conference. They played five sectionals and qualified in each one as well as regionals. This year they went to LaPorte, Indiana, for their Invitational Championship.

The boys started practicing in the winter at River Oaks. They worked very hard to achieve their personal goals.

Although the school furnishes the bags and jackets, the boys use their own personal golf clubs.

Gavit was lucky this year to have Tim Budreau, he was the teams star player and was Sectional and Conference champion. He was also the lowest scorer or medalist.

For the new season, coach Tim Russell has reluctantly turned over the team to coach Ben Life.

We are very proud of the part each of our golf team members have played in Gavit Sports.

With concentration, junior Don Chiaro executes a practice shot before teeing off.

After stroking a birdie, freshmen Pat Chapin looks on.

Sophomore Bob Kolbert contemplates the results of his putting shot.

Sophomore Tom Hudson selects his club before an important stroke.

Junior Don Chiaro knows that practice shots are essential for good form.

Senior Tim Budreau, a golf veteran, gives Don Chiaro a good golfing tip.

A shot of junior Don Chiaro during his execution of a shot.

# Swimmers Succeed In Season

The boy's swim team had a successful season on completing with a 6 and 8 record. The team's captains were Chris Csonka and Jim Graczyk. Their managers are Carl Koch and Shaun Kroslick. Although losing 12 seniors, the swim team managed to set 4 new school records and several of the pool records at other schools. The records are: 200 I.M. Relay; Joe Yerga, Chris Csonka, Ed Wojtowicz, and Jim Graczyk with a time of 1:52.9; 50 Free Style Chris Csonka 23.1; 100 Back Stroke; Chris Csonka, 1:00.8; 100 Breast Stroke, Jim Graczyk, 1:08.

Some state hopefuls are Chris Csonka in the 50 Free Style and 100 Back Stroke; the Relay team and Jim Graczyk in the 100 Breast Stroke.

Senior Chris Csonka anxiously waiting to hear his time on a very successful race.

Sophomore Terry Saunders anticipates the officials starting gunshot.

Now that the year is over many look over it and remember the many good times going out with friends to games and dances, forgetting about a test and cramming for it five minutes before class, goofing off too much in class and getting Disciplinary Action Request, getting an A on a test everyone else flunks, and your class winning the spirit award and making the other classes try harder to beat them next year. Everyone remembers the good and bad times at school and at the end of the year looking back is the best part of all.

## A Sprinkle Of Cheer

TOP: Seniors and alumni student show their spirit by giving the #1 sign. CENTER: Students beware as they cross "Senior Territory". RIGHT: Juniors have fun decorating homeroom. BOTTOM: Juniors cheer for spirit award.

# To End The School Year

TOP LEFT: Sandy Tuskan was Basketball Homecoming queen. TOP: Homecoming court was Seniors Sharon Geurts, Mary Johnson, Donna Paudur, Chris Dolak, and junior Sandy Tuskan. CENTER: Sophomores wait for new rings. BOTTOM LEFT: Sophomores show off rings. BOTTOM RIGHT: Sophomore Bob Bush, Seniors George Madvek, Rick Holeman, Tim Kolbert, and Evan Tite help cheerleaders.

# Mix The Old With The New To End The Year

There were many changes in the United States and at Gavit in 1977. At Gavit, along with many new teachers, we had a new principal and a new basketball coach. Perhaps the biggest change for our country was our new President, Jimmy Carter, who was inaugurated in January.

Although much change occurs with each new year, some things remain the same. It is this blend of old and new that makes each year interesting and unique.

UPPER RIGHT: This is how classrooms appeared on January 31 and February 1 and 2 when schools and businesses throughout the Calumet Region were closed due to a shortage of natural gas.  
LEFT: Fairy Godmother (sophomore Stephanie Gavrilos) taps Cinderella (senior April Carter) with her magic wand during the Children's Theater production of "Cinderella."

MIDDLE RIGHT: Taking the place of Mr. Molnar, Mr. Phil Rush joined the Gavit faculty at the beginning of the second semester.

LOWER RIGHT: Enthusiastic basketball players and coach cheer their team on.

UPPER LEFT: President Jimmy Carter and vice- President Walter Mondale were victorious in the November Presidential election. UPPER RIGHT: Republican vice-Presidential candidate , Robert Dole was the running mate of President Gerald Ford. LOWER LEFT: Gerald R. Ford lost a close race to Jimmy Carter. LOWER RIGHT: President Jimmy Carter, along with his wife, Rosalyn, smiles after being elected thirty- ninth President of the United States.

The 1977 *Futura* was printed by the American Yearbook Company in Clarksville Tennessee on 80 pound gloss paper. The book had one pica inner margins, outer margins were usually five picas. Each section in the book had its own individual layout style.

The type face was heritage roman. Captions were done in 8 point, while the body copy was 10 point. All headlines were done in 30 point century schoolbook type using both capital and lower case letters. Page numbers were placed on the bottom outside edge of each page. Four pages in the book were done in full color and twelve had spot color. The color used for the endsheets was Flame #287. The cover style used was a lithograph with two applied colors of red and black. Student artwork was used for the cover design.

The 1977 *Futura* would like to thank and recognize all those who contributed and helped to compile this year's history of Donald E. Gavit Sr. High School. The excellent photography was again made possible through Harry Dudzik and Tom Semesky. Senior Debbie Jett created all the original student artwork. Mr. Boyle and Mrs. Seckinger generously loaned their rooms to our over crowded staff. Cleaning the PUB after the daily disaster was done by the competent custodial crew. The office staff was patient with our many phone calls and letters. Senior Dan Jurich graciously provided the valuable Washington D.C. pictures from the senior trip. Mrs. Pat Lindemann, our American Yearbook Representative, was on hand to share her expert knowledge with staff. Mr. Kopenec, our very competent advisor, abundantly gave his spare time and effort to the *Futura*. His dedication, encouragement, and forcefulness proved an invaluable asset to the yearbook staff. And finally, recognition should be given to the one body which made the 1977 *Futura* a reality, the 1976-77 *Futura* staff. Their contribution to Gavit High School will always be held in high esteem.

Thank-you
